RE: Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates
Docket No. 2019-290-WS

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff requests a one-day extension of the remaining testimony deadlines in this matter. Blue Granite does not object to this request. With the requested extension, January 23, 2020, would be the deadline for direct testimony from the ORS and parties that have intervened; February 6, 2020, would be the deadline for rebuttal testimony from Blue Granite; and February 13, 2020, would be the deadline for surrebuttal testimony from the ORS and intervenors. ORS seeks this additional time in light of the voluminous records and complex issues involved in this matter that are being assessed as ORS prepares its testimony. All of the intervenors have indicated they do not object to this request, with the exception of the Town of Irmo which has not indicated whether it objects.

ORS thanks the Commission for its consideration of this request.

Sincerely,

Christopher M. Huber
